

# Robotics: Science & Systems Foundation

## CONTRIBUTING AUTHOR'S LETTER OF AGREEMENT

Title of contribution:

---

---

Author(s):

---

---

For the purpose of the publication of the above article in the book tentatively entitled *Robotics: Science and Systems X*, edited by Dieter Fox, Lydia E. Kavraki, and Hanna Kurniawati, I do

(a) warrant that I am the sole or senior author of this article except for those portions shown to be quotations;

(b) grant to the *Robotics: Science & Systems Foundation* the nonexclusive right to publish the article in all languages and for all countries and in both print and electronic forms, while the copyright remains with the authors listed above;

(c) appoint the above editor(s) my agent(s) in everything pertaining to the publication of my article in the said publication;

(d) agree to read and promptly return proofs if requested to do so and otherwise to cooperate to the end of publication; and

(e) affirm that the article does not violate any copyright or other proprietary right, contains no statement known to be false and no material that is libelous or in any way unlawful, that the article has not previously been published, in whole or in part, except as I have advised the editor(s) in writing, and that I will give proper credit to the said publication in any future publication of the article.
